Re: Notice of *Ex Parte* Presentation in WC Docket No. 05-25

Dear Ms. Dortch:

On September 6, SunCom Wireless Chairman and CEO Michael Kalogris and I spoke by telephone with FCC Commissioner Robert McDowell and his advisor Angela Giancarlo regarding the FCC's special access proceeding. Specifically, Mr. Kalogris noted SunCom's heavy reliance on special access services purchased from ILECs for its domestic operations, and his concerns about the lack of competition, high prices, and mandatory long-term commitments in this market. Therefore, he noted SunCom's support for the remedies proposed by T-Mobile and Sprint Nextel in this proceeding.

Please contact me if there are any questions regarding this filing.

Sincerely,

/s/ Michele C. Farquhar
